Listed Entity Extension

TRAINING SAMPLE | FICTIONAL DATA | NOT FOR STATUTORY FILING

08 | Listed Entity Extension

Classification intake

Listed equity or listed debt [ ]; exchange(s) [ ]; segment [ ]; material subsidiary [ ]; Board committees [ ]; unpublished price sensitive information considerations [ ].

Conditional pre-meeting checks

Regulation 29 advance intimation: verify whether agenda item triggers it and current timeline.

Trading window and insider-trading controls: verify applicability.

Committee and governance approvals: verify as relevant.

Conditional post-meeting checks

Regulation 30 and Schedule III disclosure assessment; event-specific time limits and prescribed details.

Regulation 33 financial results if relevant.

Regulation 46 website updates if relevant.

Exchange portal filing evidence and acknowledgement.

MCA filing is separate; do not mark SEBI as direct recipient where exchange submission is prescribed.

Listed liquidation

Assess material event disclosure, exchange communications, suspension/delisting and continuing obligations; verify route and current law with qualified counsel.
