Participant Exercise Workbook

TRAINING SAMPLE | FICTIONAL DATA | NOT FOR STATUTORY FILING

11 | Participant Exercise Workbook

Exercise 1 - setup

Create the Project, upload source PDFs, paste the prompt and ask for an inventory of unknown fields.

Exercise 2 - meeting pack

Fill date [ ], time [ ], venue [ ], Board composition [ ], agenda [ ]. Request notice, agenda and agenda notes. Check missing information.

Exercise 3 - minutes

Supply attendance [ ], chair [ ], quorum [ ], decisions actually taken [ ], abstentions [ ]. Request minutes and ensure no decisions are invented.

Exercise 4 - listed extension

Change classification to listed equity [ ], exchange [ ]. Ask for event-wise Reg 29/30/33/46 applicability, exchange filing channel, deadline verification and evidence.

Exercise 5 - winding up

Specify whether company winding up or closing meeting. If company winding up, enter solvency [ ], debts [ ], creditor status [ ], proposed route [ ]. Ask for conditional pre/post approval checklist.

Exercise 6 - error test

Provide conflicting dates in two records and check whether the assistant requests clarification instead of choosing one.
